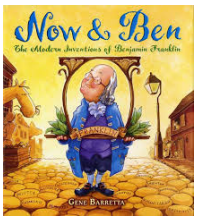
# Kindergarten Weekly Newsletter

Week of April 13, 2026

## Math

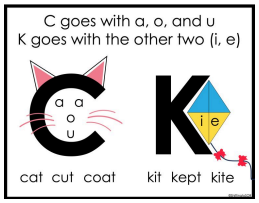
**In math,** students will explore coins and their values. We will begin by sorting coins into groups and learning the names of each coin. Then we will learn the values of each coin. Students will practice counting a group of dimes and pennies by tens and ones.

## Literacy



**In Wit & Wisdom**, we will be reading *Now & Ben* by Gene Barretta. Students will learn about some of Benjamin Franklin's inventions and how they made life easier in America.

**In Fundations,** students will continue to practice reading and writing CVC words. Recently, students have learned the rule for when to use c or k when writing words that begin with the /k/ sound. "C goes with a, o, and u. K goes with the other two (i,e)."



**At home,** read through books with your child and have them find the trick words we have learned so far: **in, is, the, me, and, a, are, to, I, was, we, they, his, as**
This week's word is: **has**

## Reminders

- Our family survey response rate is 59.5%. Please help us reach our 75% goal so we can have a school-wide No Homework Night! Please complete yours HERE.
- Book Baggies are to be returned to school on Fridays. This is when we "book shop" and pick new books for the following week. Please ensure all 4 books are returned so your child can get new books.
- Our next field trip is to the Central Park Zoo on May 18, 2026. Permission slips are due on Wednesday, April 15th **with** the $7 fee. After that, chaperones will be chosen. If chosen, please complete a chaperone slip and submit the chaperone $7 fee.
- **Red folders** should come to school everyday. We use it as a means of communication between the teacher and the families.
- Per 217 policy, toys and candy are not permitted in school! Please keep all of these at home.

## Dates

- **Friday, 4/17** - School Spirit Day
- **Tuesday, 4/21** - Gr 1-4 G&T Application opens, more info HERE
- **Thursday, 5/7 -** PTA Auction
- **Friday, 5/8 -** Kindergarten Music Open Class 8:30am in the auditorium *Please bring ID
- **Friday, 5/8 -** Gr 1-4 G&T Application closes
- **Monday, 5/18-** Central Park Zoo field trip

## App of the Month (April)

- **https://www.turtlediary.com/games/kindergarten/math.html**
  Games like this one help students understand why math is so important for their daily life.
