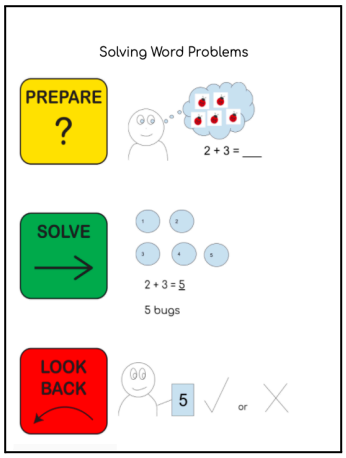
Kindergarten Weekly Newsletter

Week of April 20, 2026

Math

In Math, we will begin Unit 5! In this unit, we will revisit addition and subtraction to solve word problems. Students will use critical thinking skills to determine how to solve word problems. They will be introduced to more challenging strategies that can be used when adding and subtracting.

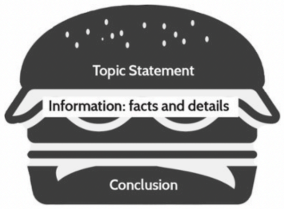


Math Vocabulary: addition, +, plus, equals, =, addend, combination, decompose

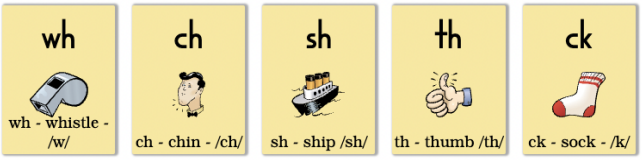
At home, you can give your child word problems that relate to their everyday life. Students can use objects and pictures to solve word problems. For example, while your child is eating cereal you can say "You have 4 cheerios. I will give you 2 more cheerios. How many cheerios do you have now?"

Literacy

In Wit & Wisdom, we will wrap up our 3rd Module! In this module, we've read texts that helped us learn how America has changed over time. Now, students will use what they have learned to write an informative paragraph.



In Fundations, we will begin Unit 4! In this unit, students will learn to read and spell words with consonant digraphs. A consonant digraph is two consonants together that make one sound.



At home, think of words that begin or end with one of these digraphs! Your child can also go on a digraph hunt in their books. Keep practicing reading AND writing the trick words we have learned so far: **in, is, the, me, and, a, are, to, I, was, we, they, his, as, has**
This week's word is: **he**

Earth Day

Earth Day is Wednesday, April 22nd. It is also Climate Action Day-- Health, Wellness, and Green Space! In school, students will participate in many activities to take care of the earth. At home, we encourage you to turn off lights when you leave a room, turn off water when it's not needed, take shorter showers, reduce, reuse, recycle, and so much more! Be creative! Think green, go green, live green! **Please wear green on Wednesday, April 22nd, to celebrate!**

Dates

- **Tuesday, 4/21** - Gr 1-4 G&T Application opens, more info HERE
- **Wednesday, 4/22** - Earth day, **wear green**
